# Haven't been to any other Igniting Ministry training?

Come early and get a 60-minute overview that will help you more fully participate in the day. That session will cover the basics of Igniting Ministry and introduce the resources in the Igniting Ministry Planning Kit.

If you don't have a Planning Kit (or need one for others in your church), mark that on your registration form and we'll have one there for you. It's offered at a special rate of \$65 for "Second Step" training participants. That's a \$25 savings off the regular price! Just add \$65 to your registration fee and we'll take care of shipping it to the training event.

**Help your church  
move to the next  
level with welcoming,  
inviting, media and  
discipling ministries.**

# Take the second step toward a more welcoming lifestyle!

This training will present more ideas about building a church lifestyle of welcoming. You will hear success stories from churches around the country, learn more about welcoming, media, inviting, and discipling and talk to people from other churches about what they've done with Igniting Ministry.

In addition to the all-day training event and packets for each participant, your church will receive the new video curriculum *Beyond 30 Seconds: Developing a Welcoming Congregation* and a CD of new ideas and materials to help enhance your church's welcoming ministries.

**To register for the training event and reserve the *Beyond 30 Seconds: Developing a Welcoming Congregation* set, complete the attached form.**

## Here's how you will spend the day:

- Hearing an overview of the new Igniting Ministry resource for group study, *Beyond 30 Seconds: Developing a Welcoming Congregation*
- Learning the latest results of the church tracking study and other news from The Television and Welcoming Ministry of the United Methodist Church
- Working in small groups to celebrate success stories and hear about what others are doing in their churches
- Reviewing some basics of Igniting Ministry
- Practicing welcoming, inviting and discipling and seeing how other people and churches are developing those behaviors into a lifestyle of "Open hearts, minds and doors."

You'll enjoy yourself and leave with lots of good ideas about making a permanent lifestyle change in your congregation. You'll even get to assess your personal "Welcoming Quotient" – a fun quiz that will help you to think about welcoming as a lifestyle beyond the church doors.
